[bcoceanfront.com](http://bcoceanfront.com)

Opportunity awaits with this beautifully renovated 7 bedroom, 4 bathroom home on Alder St South, in Campbell River. Close to schools, shopping and walking trails, as well as conveniently located for public transit and easy access to health services and the downtown core.

The 3371sqft house has been extensively renovated and has a secondary suite on the main level, with a separate hydro meter. This was done with legal zoning prior to the new residential infill zoning of 2024 and all work is correctly permitted.

The main home is 2 floors, with main entry and one bedroom on the ground level and four bedrooms on the upper level. There are two bathrooms on the upper level, including the ensuite, and an additional 3 piece bathroom

on the ground level. Upstairs is ample living space, with a large living room, a dining room and kitchen, while on the ground level is a bonus room suitable for a home office or hobby space. A large deck wraps along the back of this upper level, with sliding door access from the dining room and the primary bedroom as well as from a door in the kitchen. The deck offers ocean views and a wonderful outdoor living space, with stairs down to the fenced backyard and a pergola-covered wooden patio.

The secondary suite is a 2 bedroom, 1 bathroom with a private entryway and fenced private backyard space including a covered patio. The kitchen has stainless steel appliances which include a dishwasher and wall-mounted microwave, extensive cabinetry including pantry space, and a modern backsplash. A sliding door leads from the living room to the covered patio.

The home was renovated in 2018 and 2021, including:

- Brazilian hardwood floors in the main upper suite
- upgraded flooring throughout
- upgraded electrical to 200amp service
- two separate BC Hydro meters
- new deck with rails and Duradek surface
- new appliances
- new windows in main suite
- upgraded bathrooms

**3371sqft 2 story home | 7 bedrooms, 4 bathrooms | Many upgrades and renovations**

The backyard is fully fenced, and there is approx. 120ft of additional parking at the side of the home, with space for an RV.

It would be an ideal opportunity for a large family looking for space, or a great location for a home-based business with the lower suite generating rental income. Or purchase as an investment property and rent out the main home as well.

---

***Lower 2 bedroom suite rent \$1,800/month***

---

The beautiful community of Campbell River is located on the east coast of central Vancouver Island between Strathcona Park to the west, and the Discovery Islands to the east. Serving a city population of approximately 37,000, Campbell River is also the service centre for the communities on northern Vancouver Island. The city has all services and amenities, including a large hospital, a North Island College campus, rec centres, museums, major shopping anchors and a wide variety of smaller shops, a vibrant restaurant and food culture, and a growing arts community. Renowned for its amazing forests and easy access shoreline, the city prides itself on the popular paved sea walk that runs along the oceanfront as well as the forest trails which surround the community.

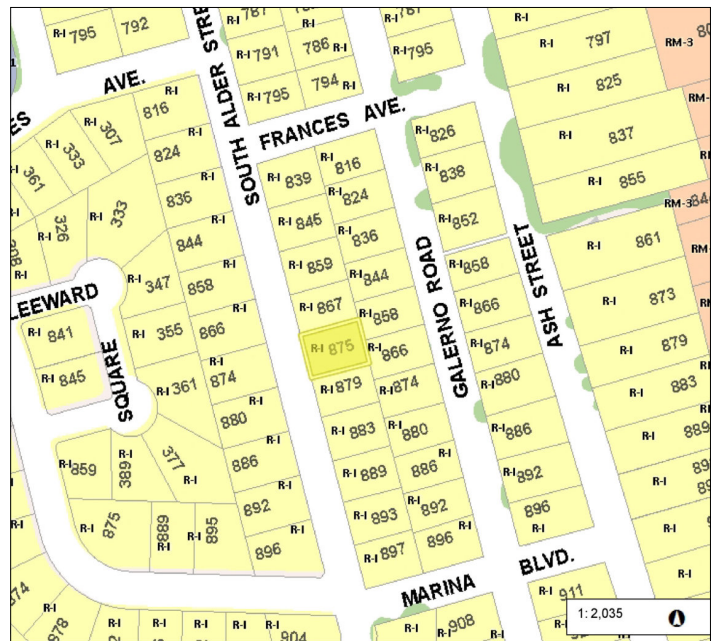

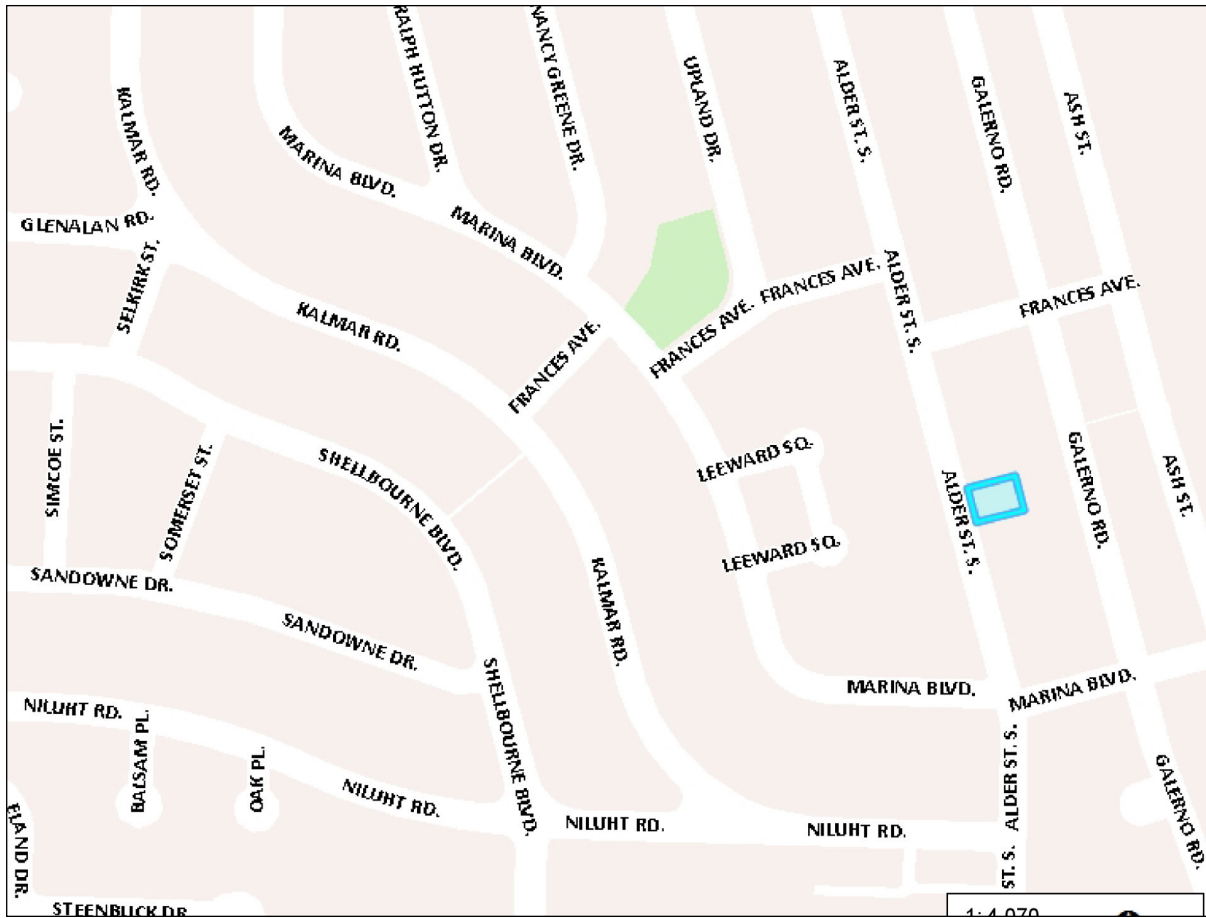

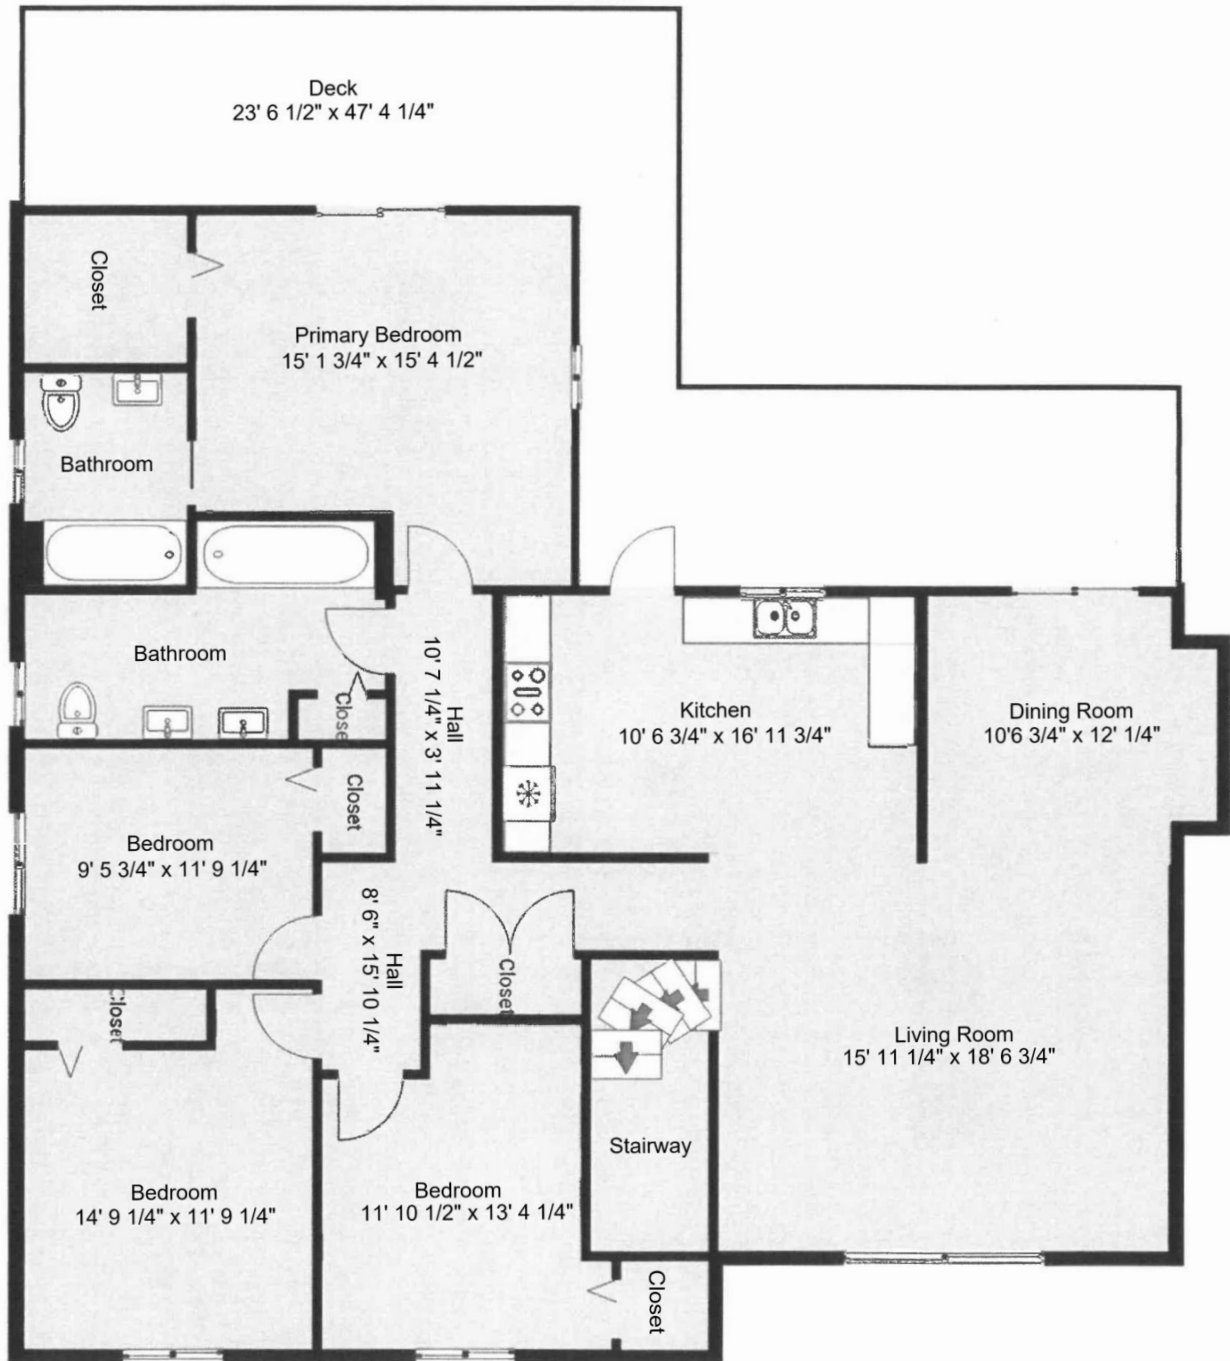

Campbell River is nestled in a region rich in natural resources, scenic beauty and an incredible variety of wildlife. One of the four main fishing centres on Vancouver Island, the city is internationally famous for both its ocean and freshwater fishing and the year-round salmon fishing in Discovery Passage is unmatched. From world-class golf and ocean diving to skiing, kayaking, hiking and mountain biking, visitors marvel at the variety of outdoor activities this region has to offer, all with Campbell River as a comfortable home base. Whether looking for exciting outdoor adventure or to simply appreciate the natural beauty of the region, Campbell River offers easy access.

**CITY OF CAMPBELL RIVER**  
**Zoning Bylaw 3250, 2006**

**Schedule "A"**

*Bylaw 3958, 2024 Added "Residential Infill (R-I)" Zone June 04, 2024*

**5.24 RESIDENTIAL INFILL (R-I) ZONE**

**Purpose:** To accommodate residential development of up to four units.

**5.24.1 Permitted Uses:**

On any lot, the following uses are permitted:

- a) dwelling units
- b) bed and breakfast accommodation
- c) home-based business

**5.24.2 Lot Area and Frontage**

- a) The minimum lot area shall be 350 square metres
- b) The minimum lot frontage is 10 metres

**5.24.3 Lot Coverage**

- a) The maximum lot coverage of all buildings is 50%
- b) The maximum lot coverage for Impermeable Surfaces is 70%

**5.24.4 Density**

- a) A maximum of three dwelling units are permitted on lots measuring less than 280 m<sup>2</sup> and within the urban containment boundary.
- b) A maximum of four dwelling units are permitted on lots measuring more than 280 m<sup>2</sup> and within the urban containment boundary.

**5.24.5 Minimum Dimensions Required for Yards**

Yards in this zone must have the following minimum dimensions:

Front yard:	Minimum 4.0 metres
Rear yard:	Dwelling units fronting a road minimum of 5.0 metres Rear Residential Buildings not fronting a road minimum of 3.0 metres; *If the entire rear yard abuts a lane, the minimum rear yard setback is 1.5 metres
Side yard:	Minimum 1.2 metres
Side yard adjoining a road:	Minimum 3.5 metres
Setbacks between buildings:	Minimum 2.5 metres

**CITY OF CAMPBELL RIVER****Zoning Bylaw 3250, 2006****Schedule "A"**

**5.24.6** In order to provide adequate parking area, the front yard setback in front of the opening to a garage or a carport shall be a minimum of 6.0 metres

**5.24.7 Building Height:**

Rear Residential Building, the lesser of 7 m or 2 storey

All other Residential Building, the lesser of 10 m or 3 storey.

Notwithstanding this provision, for a lot along Island Highway 19A from 6<sup>th</sup> Ave. south to the Evergreen Road ROW, maximum building height shall be 8 metres above the height of the finished grade of the highway adjacent to that lot. For a lot along Island Highway 19A from the Evergreen Road ROW south to Simms Creek, maximum building height shall be measured to the highest roof peak, and shall not exceed a height of 3.0 metres below the "top of the ridge" adjacent to or within that lot. The geodetic height for the "top of the ridge" will be determined by the City and confirmed by BCLS.
