#33 – 940 Island Hwy S. Campbell River, Vancouver Island \$319,900 Canadian

Big Rock Condos is a small, three-story building set back off the road on the popular oceanfront highway leading into Campbell River's downtown.

This location offers easy access to all services and amenities, bus routes, major roads and the popular Seawalk, which stretches for miles along the Campbell River coastline. A coffee shop, gas station, liquor store and restaurant are all within easy walking distance.

This top floor unit offers beautiful ocean views from both the living room and bedrooms, looking across the entrance to Discovery Passage to the south end of Quadra Island, with the mainland mountains in the distance. Enjoy watching the marine activity while drinking coffee or just relaxing on the balcony.

744.79 sqft 2 bed/1 bath | Large oceanfront balcony | Top floor unit

In-unit laundry | Strata fees: \$303.63/month

Accessed from an outdoor landing, the unit has windows on both sides, allowing natural light into the bathroom and the kitchen which face the back of the building. A sliding door in the living room leads to the oceanside balcony.

In addition to the living spaces, this unit also has a laundry/utility room. This is one of only a few units in the building allowed a washer/dryer, as future installation of washing machines is prohibited by strata.

A common area at the back of the building has been set up with barbeque spots and picnic tables, allowing for a private area for outdoor gatherings, with the hillside and trees as a natural backdrop.

Each unit has one designated parking spot.

Strata fees for unit 33 are \$303.63 per month. This is a wellmanaged strata and a mix of owners and tenants live in the building.
