Residential lot in the Village of Tahsis, on the west coast of Vancouver Island. This region is popular for its easy access to west coast fishing as well as with outdoor recreation enthusiasts.

There is a full service marina providing moorage and a public boat launch in the village. Tahsis is accessible by gravel road, along the Tree to Sea Drive from Gold River.

This appealing lot sits across the road from the waterfront in Tahsis. It faces east, providing views across the waters of Head Bay to the mountains beyond. The remains of a perimeter foundation and concrete driveway and path to the back of the property are evident on the grassy lot, which has been empty for quite some time. The land is slightly terraced to accommodate the slope, with a low rock wall at the front and back of the lot. Behind the homes along this stretch of road is forested area.

This property is walking distance to the marina, restaurant and pub. This provides a great option to moor your boat for the summer just a short walk from your home.

The Village of Tahsis has a small but active full-time community, as well as many property owners who regularly visit during the fishing season. It offers restaurants, grocery store, building supply store, a recreational centre, public library, health centre, school, accommodations, and full-service gas station. The community has high-speed internet cable TV service.

The coastal village of Tahsis is situated at the head of protected Tahsis Inlet, on the West Coast of Vancouver Island near Nootka Sound. Tahsis offers access to a number of wilderness hiking trails, caving, incredible ocean kayaking, scuba diving, wind surfing, sailing and canoeing. The area is best known for offering world-class sport fishing as massive runs of salmon migrate down the west of British Columbia to their spawning grounds in coastal streams and rivers.

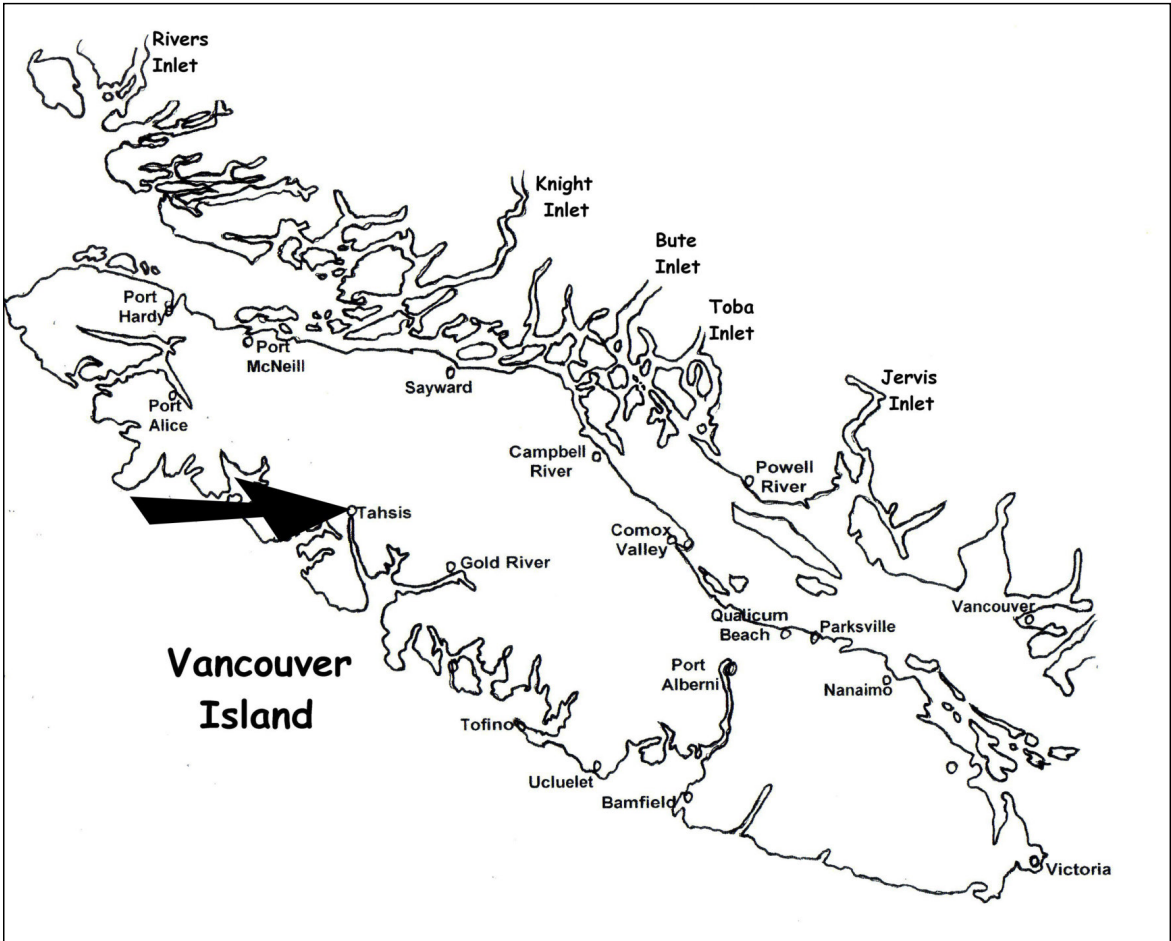

Anglers can also venture out to the Pacific Ocean where fishing is excellent for halibut, flounder, rockfish and lingcod. Crabs, prawns, shrimp, oysters and other seafood are also plentiful. Wildlife abounds! Black bear, wolves, cougars, Roosevelt elk and coastal black-tailed deer are frequent visitors to this area. Guests from around the world marvel at the eagles, sea lions, whales and other marine wildlife that is common in the nearby waters. The picturesque and versatile west coast village offers a full-service marina and a safe, friendly small town atmosphere that boasts an incredible blend of outdoor adventures and rugged and breathtaking scenery.
